

INITIATIVE 774

I, Sam Reed, Secretary of State of the State of Washington and custodian of its seal, hereby certify that, according to the records on file in my office, the attached copy of Initiative Measure No. 774 to the People is a true and correct copy as it was received by this office.

1 AN ACT Relating to regulating and improving long-term in-home care
2 services; amending RCW 74.39A.030 and 74.39A.095; adding new sections
3 to chapter 74.39A RCW; adding a new section to chapter 41.56 RCW;
4 adding a new section to chapter 51.12 RCW; adding a new section to
5 chapter 70.127 RCW; adding a new section to chapter 74.09 RCW; and
6 creating a new section.

7 BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** FINDINGS. The people of the state of
9 Washington find as follows:

10 (1) Thousands of Washington seniors and persons with disabilities
11 live independently in their own homes, which they prefer and is less
12 costly than institutional care such as nursing homes.

13 (2) Many Washington seniors and persons with disabilities currently
14 receive long-term in-home care services from individual providers hired
15 directly by them under the medicaid personal care, community options
16 programs entry system, or chore services program.

17 (3) Quality long-term in-home care services allow Washington
18 seniors, persons with disabilities, and their families the choice of
19 allowing seniors and persons with disabilities to remain in their

1 homes, rather than forcing them into institutional care such as nursing
2 homes. Long-term in-home care services are also less costly, saving
3 Washington taxpayers significant amounts through lower reimbursement
4 rates.

5 (4) The quality of long-term in-home care services in Washington
6 would benefit from improved regulation, higher standards, better
7 accountability, and improved access to such services. The quality of
8 long-term in-home care services would further be improved by a well-
9 trained, stable individual provider work force earning reasonable wages
10 and benefits.

11 (5) Washington seniors and persons with disabilities would benefit
12 from the establishment of an authority that has the power and duty to
13 regulate and improve the quality of long-term in-home care services.

14 (6) The authority should ensure that the quality of long-term in-
15 home care services provided by individual providers is improved through
16 better regulation, higher standards, increased accountability, and the
17 enhanced ability to obtain services. The authority should also
18 encourage stability in the individual provider work force through
19 collective bargaining and by providing training opportunities.

20 NEW SECTION. **Sec. 2.** AUTHORITY CREATED. (1) The home care
21 quality authority is established to regulate and improve the quality of
22 long-term in-home care services by recruiting, training, and
23 stabilizing the work force of individual providers.

24 (2) The authority consists of a board of nine members appointed by
25 the governor. Five board members shall be current and/or former
26 consumers of long-term in-home care services provided for functionally
27 disabled persons, at least one of whom shall be a person with a
28 developmental disability; one board member shall be a representative of
29 the developmental disabilities planning council; one board member shall
30 be a representative of the governor's committee on disability issues
31 and employment; one board member shall be a representative of the state
32 council on aging; and one board member shall be a representative of the
33 Washington state association of area agencies on aging. Each board
34 member serves a term of three years. If a vacancy occurs, the governor
35 will make an appointment to become immediately effective for the
36 unexpired term. Each board member is eligible for reappointment and
37 may serve no more than two consecutive terms. In making appointments,

1 the governor will take into consideration any nominations or
2 recommendations made by the groups or agencies represented.

3 NEW SECTION. **Sec. 3.** DEFINITIONS. The definitions in this
4 section apply throughout RCW 74.39A.030 and 74.39A.095 and sections 1
5 through 9 and 12 through 15 of this act unless the context clearly
6 requires otherwise.

7 (1) "Authority" means the home care quality authority.

8 (2) "Board" means the board created under section 2 of this act.

9 (3) "Consumer" means a person to whom an individual provider
10 provides any such services.

11 (4) "Individual provider" means a person, including a personal
12 aide, who has contracted with the department to provide personal care
13 or respite care services to functionally disabled persons under the
14 medicaid personal care, community options program entry system, chore
15 services program, or respite care program, or to provide respite care
16 or residential services and support to persons with developmental
17 disabilities under chapter 71A.12 RCW, or to provide respite care as
18 defined in RCW 74.13.270.

19 NEW SECTION. **Sec. 4.** AUTHORITY DUTIES. (1) The authority must
20 carry out the following duties:

21 (a) Establish qualifications and reasonable standards for
22 accountability for and investigate the background of individual
23 providers and prospective individual providers, except in cases where,
24 after the department has sought approval of any appropriate amendments
25 or waivers under section 15 of this act, federal law or regulation
26 requires that such qualifications and standards for accountability be
27 established by another entity in order to preserve eligibility for
28 federal funding. Qualifications established must include compliance
29 with the minimum requirements for training and satisfactory criminal
30 background checks as provided in RCW 74.39A.050 and confirmation that
31 the individual provider or prospective individual provider is not
32 currently listed on any long-term care abuse and neglect registry used
33 by the department at the time of the investigation;

34 (b) Undertake recruiting activities to identify and recruit
35 individual providers and prospective individual providers;

1 (c) Provide training opportunities, either directly or through
2 contract, for individual providers, prospective individual providers,
3 consumers, and prospective consumers;

4 (d) Provide assistance to consumers and prospective consumers in
5 finding individual providers and prospective individual providers
6 through the establishment of a referral registry of individual
7 providers and prospective individual providers. Before placing an
8 individual provider or prospective individual provider on the referral
9 registry, the authority shall determine that:

10 (i) The individual provider or prospective individual provider has
11 met the minimum requirements for training set forth in RCW 74.39A.050;

12 (ii) The individual provider or prospective individual provider has
13 satisfactorily undergone a criminal background check conducted within
14 the prior twelve months; and

15 (iii) The individual provider or prospective individual provider is
16 not listed on any long-term care abuse and neglect registry used by the
17 department;

18 (e) Remove from the referral registry any individual provider or
19 prospective individual provider the authority determines not to meet
20 the qualifications set forth in (d) of this subsection or to have
21 committed misfeasance or malfeasance in the performance of his or her
22 duties as an individual provider. The individual provider or
23 prospective individual provider, or the consumer to which the
24 individual provider is providing services, may request a fair hearing
25 to contest the removal from the referral registry, as provided in
26 chapter 34.05 RCW;

27 (f) Provide routine, emergency, and respite referrals of individual
28 providers and prospective individual providers to consumers and
29 prospective consumers who are authorized to receive long-term in-home
30 care services through an individual provider;

31 (g) Give preference in the recruiting, training, referral, and
32 employment of individual providers and prospective individual providers
33 to recipients of public assistance or other low-income persons who
34 would qualify for public assistance in the absence of such employment;
35 and

36 (h) Cooperate with the department, area agencies on aging, and
37 other federal, state, and local agencies to provide the services
38 described and set forth in this section. If, in the course of carrying
39 out its duties, the authority identifies concerns regarding the

1 services being provided by an individual provider, the authority must
2 notify the relevant area agency or department case manager regarding
3 such concerns.

4 (2) In determining how best to carry out its duties, the authority
5 must identify existing individual provider recruitment, training, and
6 referral resources made available to consumers by other state and local
7 public, private, and nonprofit agencies. The authority may coordinate
8 with the agencies to provide a local presence for the authority and to
9 provide consumers greater access to individual provider recruitment,
10 training, and referral resources in a cost-effective manner. Using
11 requests for proposals or similar processes, the authority may contract
12 with the agencies to provide recruitment, training, and referral
13 services if the authority determines the agencies can provide the
14 services according to reasonable standards of performance determined by
15 the authority. The authority must provide an opportunity for consumer
16 participation in the determination of the standards.

17 NEW SECTION. **Sec. 5.** DEPARTMENT DUTIES. The department must
18 perform criminal background checks for individual providers and
19 prospective individual providers and ensure that the authority has
20 ready access to any long-term care abuse and neglect registry used by
21 the department.

22 NEW SECTION. **Sec. 6.** EMPLOYMENT RELATIONSHIP--CONSUMER RIGHTS.
23 (1) Solely for the purposes of collective bargaining, the authority is
24 the public employer, as defined in chapter 41.56 RCW, of individual
25 providers, who are public employees, as defined in chapter 41.56 RCW,
26 of the authority.

27 (2) Chapter 41.56 RCW governs the employment relationship between
28 the authority and individual providers, except as otherwise expressly
29 provided in this act and except as follows:

30 (a) The only unit appropriate for the purpose of collective
31 bargaining under RCW 41.56.060 is a statewide unit of all individual
32 providers;

33 (b) The showing of interest required to request an election under
34 RCW 41.56.060 is ten percent of the unit, and any intervener seeking to
35 appear on the ballot must make the same showing of interest;

36 (c) The mediation and interest arbitration provisions of RCW
37 41.56.430 through 41.56.470 and 41.56.480 apply;

1 (d) Individual providers do not have the right to strike; and

2 (e) Individual providers who are related to, or family members of,
3 consumers or prospective consumers are not, for that reason, exempt
4 from this act or chapter 41.56 RCW.

5 (3) Individual providers who are employees of the authority under
6 subsection (1) of this section or under section 13 of this act are not,
7 for that reason, employees of the state for any purpose.

8 (4) Consumers and prospective consumers retain the right to select,
9 hire, supervise the work of, and terminate any individual provider
10 providing services to them. Consumers may elect to receive long-term
11 in-home care services from individual providers who are not referred to
12 them by the authority.

13 (5) In implementing and administering this act, neither the
14 authority nor any of its contractors may reduce or increase the hours
15 of service for any consumer below or above the amount determined to be
16 necessary under any assessment prepared by the department or an area
17 agency on aging.

18 (6)(a) The authority, the area agencies on aging, or their
19 contractors under this act may not be held vicariously liable for the
20 action or inaction of any individual provider or prospective individual
21 provider, whether or not that individual provider or prospective
22 individual provider was included on the authority's referral registry
23 or referred to a consumer or prospective consumer.

24 (b) The members of the board are immune from any liability
25 resulting from implementation of this act.

26 (7) Nothing in this section affects the state's responsibility with
27 respect to the state payroll system or unemployment insurance for
28 individual providers.

29 NEW SECTION. **Sec. 7. POWERS.** In carrying out its duties under
30 this act, the authority may:

31 (1) Make and execute contracts and all other instruments necessary
32 or convenient for the performance of its duties or exercise of its
33 powers, including contracts with public and private agencies,
34 organizations, corporations, and individuals to pay them for services
35 rendered or furnished;

36 (2) Offer and provide recruitment, training, and referral services
37 to providers of long-term in-home care services other than individual

1 providers and prospective individual providers, for a fee to be
2 determined by the authority;

3 (3) Issue rules under the administrative procedure act, chapter
4 34.05 RCW, as necessary for the purpose and policies of this act;

5 (4) Establish offices, employ and discharge employees, agents, and
6 contractors as necessary, and prescribe their duties and powers and fix
7 their compensation, incur expenses, and create such liabilities as are
8 reasonable and proper for the administration of this act;

9 (5) Solicit and accept for use any grant of money, services, or
10 property from the federal government, the state, or any political
11 subdivision or agency thereof, including federal matching funds under
12 Title XIX of the federal social security act, and do all things
13 necessary to cooperate with the federal government, the state, or any
14 political subdivision or agency thereof in making an application for
15 any grant;

16 (6) Coordinate its activities and cooperate with similar agencies
17 in other states;

18 (7) Establish technical advisory committees to assist the board;

19 (8) Keep records and engage in research and the gathering of
20 relevant statistics;

21 (9) Acquire, hold, or dispose of real or personal property or any
22 interest therein, and construct, lease, or otherwise provide facilities
23 for the activities conducted under this chapter, provided that the
24 authority may not exercise any power of eminent domain;

25 (10) Sue and be sued in its own name;

26 (11) Delegate to the appropriate persons the power to execute
27 contracts and other instruments on its behalf and delegate any of its
28 powers and duties if consistent with the purposes of this chapter; and

29 (12) Do other acts necessary or convenient to execute the powers
30 expressly granted to it.

31 NEW SECTION. **Sec. 8.** PERFORMANCE REVIEW. (1) The joint
32 legislative audit and review committee will conduct a performance
33 review of the authority every two years and submit the review to the
34 legislature and the governor. The first review will be submitted
35 before December 1, 2006.

36 (2) The performance review will include an evaluation of the
37 health, welfare, and satisfaction with services provided of the
38 consumers receiving long-term in-home care services from individual

1 providers under this act, including the degree to which all required
2 services have been delivered, the degree to which consumers receiving
3 services from individual providers have ultimately required additional
4 or more intensive services, such as home health care, or have been
5 placed in other residential settings or nursing homes, the promptness
6 of response to consumer complaints, and any other issue the committee
7 deems relevant.

8 (3) The performance review will provide an explanation of the full
9 cost of individual provider services, including the administrative
10 costs of the authority, unemployment compensation, social security and
11 medicare payroll taxes paid by the department, and area agency on aging
12 home care oversight costs.

13 (4) The performance review will make recommendations to the
14 legislature and the governor for any amendments to this act that will
15 further ensure the well-being of consumers and prospective consumers
16 under this act, and the most efficient means of delivering required
17 services. In addition, the first performance review will include
18 findings and recommendations regarding the appropriateness of the
19 authority's assumption of responsibility for verification of hours
20 worked by individual providers, payment of individual providers, and
21 other duties.

22 NEW SECTION. Sec. 9. FUNDING. (1) The governor must submit a
23 request for funds necessary to administer this act and to implement any
24 collective bargaining agreement entered into under section 6 of this
25 act or for legislation necessary to implement any such agreement within
26 ten days of the date on which the agreement is ratified or, if the
27 legislature is not in session, within ten days after the next
28 legislative session convenes. The legislature must approve or reject
29 the submission of the request for funds as a whole. If the legislature
30 rejects or fails to act on the submission, any such agreement will be
31 reopened solely for the purpose of renegotiating the funds necessary to
32 implement the agreement.

33 (2) When any increase in individual provider wages or benefits is
34 negotiated or agreed to by the authority, no increase in wages or
35 benefits negotiated or agreed to under this act will take effect unless
36 and until, before its implementation, the department has determined
37 that the increase is consistent with federal law and federal financial

1 participation in the provision of services under Title XIX of the
2 federal social security act.

3 (3) After the expiration date of any collective bargaining
4 agreement entered into under section 6 of this act, all of the terms
5 and conditions specified in any such agreement remain in effect until
6 the effective date of a subsequent agreement, not to exceed one year
7 from the expiration date stated in the agreement.

8 **Sec. 10.** RCW 74.39A.030 and 1995 1st sp.s. c 18 s 2 are each
9 amended to read as follows:

10 (1) To the extent of available funding, the department shall expand
11 cost-effective options for home and community services for consumers
12 for whom the state participates in the cost of their care.

13 (2) In expanding home and community services, the department shall:

14 (a) Take full advantage of federal funding available under Title XVIII
15 and Title XIX of the federal social security act, including home
16 health, adult day care, waiver options, and state plan services; and

17 (b) be authorized to use funds available under its community options
18 program entry system waiver granted under section 1915(c) of the
19 federal social security act to expand the availability of in-home,
20 adult residential care, adult family homes, enhanced adult residential
21 care, and assisted living services. By June 30, 1997, the department
22 shall undertake to reduce the nursing home medicaid census by at least
23 one thousand six hundred by assisting individuals who would otherwise
24 require nursing facility services to obtain services of their choice,
25 including assisted living services, enhanced adult residential care,
26 and other home and community services. If a resident, or his or her
27 legal representative, objects to a discharge decision initiated by the
28 department, the resident shall not be discharged if the resident has
29 been assessed and determined to require nursing facility services. In
30 contracting with nursing homes and boarding homes for enhanced adult
31 residential care placements, the department shall not require, by
32 contract or through other means, structural modifications to existing
33 building construction.

34 (3)(a) The department shall by rule establish payment rates for
35 home and community services that support the provision of cost-
36 effective care. In the event of any conflict between any such rule and
37 a collective bargaining agreement entered into under sections 6 and 9
38 of this act, the collective bargaining agreement prevails.

(b) The department may authorize an enhanced adult residential care rate for nursing homes that temporarily or permanently convert their bed use for the purpose of providing enhanced adult residential care under chapter 70.38 RCW, when the department determines that payment of an enhanced rate is cost-effective and necessary to foster expansion of contracted enhanced adult residential care services. As an incentive for nursing homes to permanently convert a portion of its nursing home bed capacity for the purpose of providing enhanced adult residential care, the department may authorize a supplemental add-on to the enhanced adult residential care rate.

(c) The department may authorize a supplemental assisted living services rate for up to four years for facilities that convert from nursing home use and do not retain rights to the converted nursing home beds under chapter 70.38 RCW, if the department determines that payment of a supplemental rate is cost-effective and necessary to foster expansion of contracted assisted living services.

Sec. 11. RCW 74.39A.095 and 2000 c 87 s 5 are each amended to read as follows:

(1) In carrying out case management responsibilities established under RCW 74.39A.090 for consumers who are receiving services under the medicaid personal care, community options programs entry system or chore services program through an individual provider, each area agency on aging shall provide ~~((adequate))~~ oversight of the care being provided to consumers receiving services under this section~~((--Such oversight shall))~~ to the extent of available funding. Case management responsibilities incorporate this oversight, and include, but ((is)) are not limited to:

(a) Verification that ~~((the))~~ any individual provider who has not been referred to a consumer by the authority established under this act has met any training requirements established by the department;

(b) Verification of a sample of worker time sheets;

(c) ~~((Home visits or telephone contacts sufficient to ensure that the plan of care is being appropriately implemented))~~ Monitoring the consumer's plan of care to ensure that it adequately meets the needs of the consumer, through activities such as home visits, telephone contacts, and responses to information received by the area agency on aging indicating that a consumer may be experiencing problems relating to his or her home care;

1 (d) Reassessment and reauthorization of services;

2 (e) Monitoring of individual provider performance. If, in the
3 course of its case management activities, the area agency on aging
4 identifies concerns regarding the care being provided by an individual
5 provider who was referred by the authority, the area agency on aging
6 must notify the authority regarding its concerns; and

7 (f) Conducting criminal background checks or verifying that
8 criminal background checks have been conducted for any individual
9 provider who has not been referred to a consumer by the authority.

10 (2) The area agency on aging case manager shall work with each
11 consumer to develop a plan of care under this section that identifies
12 and ensures coordination of health and long-term care services that
13 meet the consumer's needs. In developing the plan, they shall utilize,
14 and modify as needed, any comprehensive community service plan
15 developed by the department as provided in RCW 74.39A.040. The plan of
16 care shall include, at a minimum:

17 (a) The name and telephone number of the consumer's area agency on
18 aging case manager, and a statement as to how the case manager can be
19 contacted about any concerns related to the consumer's well-being or
20 the adequacy of care provided;

21 (b) The name and telephone numbers of the consumer's primary health
22 care provider, and other health or long-term care providers with whom
23 the consumer has frequent contacts;

24 (c) A clear description of the roles and responsibilities of the
25 area agency on aging case manager and the consumer receiving services
26 under this section;

27 (d) The duties and tasks to be performed by the area agency on
28 aging case manager and the consumer receiving services under this
29 section;

30 (e) The type of in-home services authorized, and the number of
31 hours of services to be provided;

32 (f) The terms of compensation of the individual provider;

33 (g) A statement that the individual provider has the ability and
34 willingness to carry out his or her responsibilities relative to the
35 plan of care; and

36 (h)(i) Except as provided in (h)(ii) of this subsection, a clear
37 statement indicating that a consumer receiving services under this
38 section has the right to waive any of the case management services
39 offered by the area agency on aging under this section, and a clear

1 indication of whether the consumer has, in fact, waived any of these
2 services.

3 (ii) The consumer's right to waive case management services does
4 not include the right to waive reassessment or reauthorization of
5 services, or verification that services are being provided in
6 accordance with the plan of care.

7 (3) Each area agency on aging shall retain a record of each waiver
8 of services included in a plan of care under this section.

9 (4) Each consumer has the right to direct and participate in the
10 development of their plan of care to the maximum practicable extent of
11 their abilities and desires, and to be provided with the time and
12 support necessary to facilitate that participation.

13 (5) A copy of the plan of care must be distributed to the
14 consumer's primary care provider, individual provider, and other
15 relevant providers with whom the consumer has frequent contact, as
16 authorized by the consumer.

17 (6) The consumer's plan of care shall be an attachment to the
18 contract between the department, or their designee, and the individual
19 provider.

20 (7) If the department or area agency on aging case manager finds
21 that an individual provider's inadequate performance or inability to
22 deliver quality care is jeopardizing the health, safety, or well-being
23 of a consumer receiving service under this section, the department or
24 the area agency on aging may take action to terminate the contract
25 between the department and the individual provider. If the department
26 or the area agency on aging has a reasonable, good faith belief that
27 the health, safety, or well-being of a consumer is in imminent
28 jeopardy, the department or area agency on aging may summarily suspend
29 the contract pending a fair hearing. The consumer may request a fair
30 hearing to contest the planned action of the case manager, as provided
31 in chapter 34.05 RCW. When the department or area agency on aging
32 terminates or summarily suspends a contract under this subsection, it
33 must provide oral and written notice of the action taken to the
34 authority. The department may by rule adopt guidelines for
35 implementing this subsection.

36 (8) The department or area agency on aging may reject a request by
37 a consumer receiving services under this section to have a family
38 member or other person serve as his or her individual provider if the
39 case manager has a reasonable, good faith belief that the family member

1 or other person will be unable to appropriately meet the care needs of
2 the consumer. The consumer may request a fair hearing to contest the
3 decision of the case manager, as provided in chapter 34.05 RCW. The
4 department may by rule adopt guidelines for implementing this
5 subsection.
